

PRMI Social Media Permission Request for Upward Challenge 2018

It is our desire to share the story of PRMI and its various ministries to (but not limited to) intercessors, financial supporters and friends of the ministry. Social media, websites, and publications are a few of the ways. **We will gather pictures and videos during this event.**

PRMI requests your permission to use photos and videos of your child/children at Upward Challenge for publicity and social media. We will apply wisdom in how photos/images/videos/testimonies are used on the sites we control. They will be uploaded to the Internet, including but not limited to Facebook and YouTube, plus our ministry websites.

Authorization:

Unless specifically marked NO below, I authorize the use and disclosure of my child/children in photographic/video images, and/or testimonial for marketing purposes by PRMI listed here: use on social media, print publications, and other marketing uses as needed.

I sign this release form with the knowledge that any photos/images/videos posted on the PRMI websites can be downloaded and reused by anyone, and I, therefore, release PRMI from any liability arising from use of my child's photos/images/videos in PRMI postings. Additionally, I understand that there are potential dangers associated with the posting of personally identifiable information on a website, since global access to the Internet does not allow for control of who may access such information.

I understand that information disclosed pursuant to this authorization may be subject to further sharing

Revocability:

I understand that I may revoke this authorization at any time, but such revocation must be in writing and received by PRMI via email or registered mail. Revocation affects disclosure moving forward and is not retroactive.

Conditions:

I understand that PRMI cannot condition participation in programs on whether or not I sign this authorization.
