

Invitation to the Dunamis Fellowship International Annual Meeting

January 20-24, 2010
Black Mountain, NC

To all members of the Dunamis Fellowship
We need you to take part in this strategic meeting of the Dunamis Fellowship!!!

This meeting is critical and we need your participation for the following reasons:

1. **We will be launching a prayer and discernment process** - asking the Holy Spirit to show us how He wants us to cooperate with Him in Advancing the Kingdom of God for the next decade, 2010- 2020.

This meeting is a call up the Mountain to seek God's direction for the future. We will be reviewing the vision foundations of PRMI and launching a prayer and listening process that will include all members of the Dunamis Fellowship. We need all of our diverse gifts and callings to hear well what God is calling us to do.

2. **A new feature of this Dunamis Fellowship meeting will be a "missions fair"** - we are overwhelmed with calls from around the world for mission teams! The doors are opening to us and our equipping of church leaders in the dance of cooperating with the Holy Spirit in growing the Church and advancing the Gospel. We need all of those who are involved in missions trips to be there to present what God is doing. There will be opportunities for all of us to see how the Holy Spirit may be calling us to take part in these opportunities. These teams need teachers, intercessors and other giftings to enable them to fulfill their purpose.

We need you there so that Jesus can speak to you about how He may be calling you to take part in our part of fulfilling the Great Commission which is growing Holy Spirit-empowered disciples. Engagement in missions is a great way to grow yourself and to grow your congregation!!!

3. **The Lord has led us to implement a whole new management process** for unleashing the creativity and honoring the way the anointing of the Holy Spirit has been poured out upon the whole Dunamis Fellowship. These are the new Vision Implementation Teams for Prayer, Leadership Development, Congregational Renewal, and Mission Outreach.

Over the last year these teams have been meeting monthly by teleconferencing. Now is a chance to meet face to face! We need all members of the Dunamis Fellowship VIT teams to be there for

face to face meetings and prayer and planning. For those not members of the teams we want to welcome you to be a part of these discussions and to support these meetings, according to the way the Lord is calling you.

4. Teacher Training on How to Teach as Led by the Holy Spirit - - This is for all those called to be a part of the teaching of Dunamis in all its forms (Ignite, Dunamis, the Video Course and Mission Trips) We urgently need teachers! We are offering a 4 hours equipping event for those called as teachers or who are exploring a call. To be a Dunamis teacher requires a special combination of gifting. If you are being called to be involved with teaching in any way with PRMI (even if you have been in the past!), please register for this training on Wed. Jan. 20, 1-5PM.

5. We will be welcoming a team from the Reformed Church in Indonesia where the Holy Spirit is moving through the Dunamis Project (actually, there are three tracks running currently in Indonesia). A delegation of church leaders will be at this meeting. We are moving toward the possibility of establishing a regional expression of the Dunamis Fellowship in Indonesia within the next couple of years!!!

This will be a very strategic as well as exciting meeting to be a part of and we need everyone to come and bring their unique gifting and calling.

If you are not a member of the PRMI Dunamis Fellowship then this is an opportunity to take a look about what this dynamic “mission team” is all about.

We will be meeting again at the Blue Ridge Assembly Conference Center because we do not have adequate facilities at the Community of the Cross to house or welcome the Dunamis Fellowship International to meet. We look forward to the day when we can meet and stay at the COC. Until then, we need to deal with the YMCA!

A registration form is attached. All monies collected will go to Blue Ridge to cover their charges. At this event we will be taking up the offering the cover the full cost of the event and to support the administrative infrastructure needed to sustain the Dunamis Fellowship International. So please start praying not just for the funds you need to get here and to take part in this meeting, but also for how to support the Dunamis Fellowship itself.

Attached are the registration materials.

In Christ,

The Rev. Cindy Strickler
Director, Dunamis Fellowship International

The Rev. Dr. Brad Long
